

YASSER LAISSAOUI

FRONT-END DEVELOPER

Adress : Jijel,Algeria **Phone** : +213542245824 **Email** : yasser.laiss01@gmail.com

Portfolio : <https://yassercoder.github.io/My-Portfolio/> **Linkedin** : <https://linkedin.com/in/yasser-laissaoui>

PROFILE

Front-End Developer specialized in JavaScript and React, with a degree in Computer Science and a strong sensitivity to UI/UX design. Able to create responsive, accessible, and modern interfaces while respecting best development practices. Motivated, detail-oriented, and eager to learn, I'm looking to join a dynamic team and contribute to meaningful projects.

EXPERIENCE

Junior Front-End Developer (Freelance)

June 2024 - Present

Completing tasks for individuals and small businesses (Discord, Facebook, freelance platforms):

- Bug fixes, UI improvements, and responsive layout adjustments.
 - Converting Figma designs into live websites
 - Adapting interfaces for various screen sizes and devices.
 - Building animations to enhance user experience.
 - Communicating with non-technical clients to understand their needs.
-

RECENT PROJECTS

LIGHTWAVE – E-commerce Site for Electrical Equipment

[View project](#)

Development of a full online store with user management, wishlist, cart, and orders.
Built the responsive UI, integrated the real-time database and handled client logic.
